Moreover, the undersigned represents that he/she, his/her firm, spouse and child living at home has not (and will not) solicited or made any contributions of money, pledge of contribution, including in-kind contributions in excess of the allowable limits within two (2) calendar years immediately preceding the date of the contract or agreement or the effective date of Chapter 26, whichever is shorter, to: (i) any municipal or authority candidate or holder of public office having ultimate responsibility for the award of a contract, or (ii) to any Town of Secaucus party committee, or (iii) to any candidate committee, political action committee (PAC) or continuing political committee (CPC) that engages in, or whose primary purpose is the support of Secaucus municipal elections and/or Secaucus municipal parties, between the time of first communication between that professional business entity or vendor and the municipality or authority regarding a specific professional services agreement or goods and services agreement, as the case may be, and the later of the termination of negotiations or rejection of any proposal, or the completion of the contract or agreement.

I also understand that for any contract awarded in the excess of \$50,000, the New Jersey Election Law Enforcement Commission (N.J.E.L.E.C) requires the completion of “Form BE” to be filed annually with the Commission.
