Dear Brian:

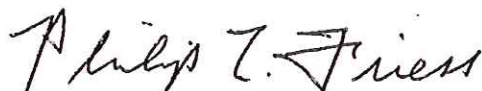

It gives us great pleasure to inform you that Secaucus Municipal Utilities Authority's Koelle Boulevard Wastewater Treatment Facility has earned a *Platinum Peak Performance Award* for 16 years of consecutive 100% NPDES permit compliance. Congratulations on receiving this prestigious honor recognizing this great accomplishment.

As a multi-year *Platinum Peak Performance* honoree, your facility will be recognized in a video presentation during an evening Awards Ceremony on Tuesday, July 14, 2015 at NACWA's Utility Leadership Conference & 45th Anniversary Annual Meeting in Providence, Rhode Island. A request for a photo of your award-winning plant has been sent to you via e-mail. We would love to include a picture of your facility or the hard working staff that made this award possible in this special presentation.

Your Platinum certificate as well as any additional honors for which you applied, such as *Gold or Silver Awards*, will be mailed to you in late July. Platinum Awards and any other honors for which you have applied will be listed on the NACWA website and featured in the *August/September Clean Water Advocate*.

Again, congratulations to you and all of the Secaucus Municipal Utilities Authority's employees on a job well done!

Sincerely,

Philip Friess
